NOTIFICATION OF DOCKET ENTRY

This docket entry was made by the Clerk on Monday, December 19, 2022:

MINUTE entry before the Honorable M. David Weisman: In light of the joint status report [190], the status hearing set for 12/20/22 is stricken. Status hearing is set for 1/20/23 at 9:15 a.m. Joint status report to be filed 1/17/23, which should address: the parties' interest in participating in a settlement conference. The Court notes that the parties have failed to definitively address whether a settlement conference would be useful in recent status reports, despite direction from the Court dating back to 10/26/22 [186]. Thus, the Court strongly urges the parties to provide a concrete update in their next status report regarding the usefulness of a settlement conference. Parties shall dial in using the Court's conference call-in number. The conference call-in number is 1-877- 411-9748, and the passcode is 1814539. Members of the public and media who wish to listen to this hearing may call in. Persons granted remote access to proceedings are reminded of the general prohibition against photographing, recording, and rebroadcasting of court proceedings. Violation of these prohibitions may result in sanctions, including removal of court issued media credentials, restricted entry to future hearings, denial of entry to future hearings, or any other sanctions deemed necessary by the Court.
